Need help figuring out www.assist.org?

What can I take at a community college to satisfy a Major/Support course at Cal Poly?

1. Select *Cal Poly, San Luis Obispo* from the drop down menu.
2. Make sure you have the correct academic year.
3. Select the appropriate California Community College from the next drop down menu.
4. Select the class from the drop down menu "By Department at Cal Poly" to view the articulations.

What can I take at a community college to satisfy GE: D1 at Cal Poly?

We don't recommend taking D1 courses off campus. At Cal Poly, we require only one course and most community colleges require two to three courses to fulfill this requirement.

However, if you want to see the options on ASSIST:

1. Select the California Community College from the drop down menu.
2. Make sure you have the correct academic year
3. Click on the link: CSU US History, Constitution, and American Ideals Courses.
4. Be sure to read all of the information on the page and contact Evaluations with questions.

I took the class(es) I needed at a Community College; now what?

Order an official copy of your transcript from the community college and have it mailed to the address below. After we receive your transcript, the units and GPA will be calculated on your Poly Profile. Course credit will be applied to your next evaluation.
